JUST THE CITY: RETHINKING THE IMAGE OF URBAN POVERTY
CONNECT: SMART SEMINAR SERIES

SEMINAR: Just The City: Rethinking the Image of Urban Poverty

PRESENTERS:
Professor AbdouMaliq Simone, University of South Australia
and Dr Etienne Turpin, SMART Infrastructure Facility

WHERE: 6.105
DATE: Monday, 4 Nov 2013
TIME: 2.00 pm -4:00pm
RSVP: smart-facility@uow.edu.au
by 1st Nov 2013

TOPIC
As architects, planners and engineers all struggle to find ways to exercise their disciplinary agency through socially and environmentally responsible practices and as the design disciplines attempt to reorganize their commitments in the face of explosive trends of urban growth, the discussion among Professor Simone, Dr Turpin and the UOW audience will consider how collaborative, engaged, situated research can advance more equitable urban development within the assemblage of the contemporary megacity.
